ACMEN KITCHEN ARENA established in 2005 by franchising agreement between M|E|K Kitchens (MECKLENBURG KUECHEN GUSTROW GMBH) a well-known Kitchen furniture producer in Germany and AKKA Co., Ltd. involves the transferring of product design and development, production technology, marketing and management. Thai consumers will benefit for the first time from kitchen products of excellent quality and the latest designs from Europe at affordable prices. Whether a single domestic kitchen or an export project, you can rely on Kitchen Arena to deliver quality.

Our service, we have professional designers and architects who will advise and guide you through, to design your dream kitchen, tailor

made for your needs, preferences and lifestyle. Matching your home in the most complimentary and enhancing way. We are able to show and explain to you all the different options of fittings, finishes and surfaces in a pleasant and relaxed atmosphere. Our design and service centre team of professional designers is at your disposal 7 days a week. With our licensed 3-D design and planning software from Germany, we will provide you with photo-realistic visualizations of any angle of your dream kitchen in moments. This gives you a unique opportunity to basically create the kitchen yourself. Our in-house fittings, accessory and appliance shop lets you see and try-out the different options available so you can find the best choice for your requirements. Their supply will be coordinated to arrive on time and be installed together with the kitchen.

We also have our on-site team that can ensure your kitchen is properly surveyed and provide advice with regard to any electrical, plumbing or any sure that once the kitchen is made it will fit into the assigned space. Our experienced and professional installation team will also coordinate the timing with the other suppliers for accessories and appliances, as well as plumbers and electricians and other site teams, so that everything can be finished on schedule.

Our customers include private home and projects for example, Supalai Condominiums, Supalai Homes, The Column, Le Monaco and etc.

We provide after sale service for the future modifications, additional Installations or problems encountered after installation, will also be handled by the same experienced team to guarantee quality of workmanship.
